Paper Tigers

One caring adult can help break the cycle of adversity in a young person's life.

Paper Tigers follows six troubled teens over the course of a year at Lincoln Alternative High school in rural Walla Walla, Washington.

Considered a last chance before dropping out, many students come to Lincoln with a history of behavioral problems, truancy, and substance abuse. Then, in 2010, Principal Jim Sporleder learned about the science of what a rough childhood does to a developing brain.
